

Life-Saving Meals

IMAGINE LOOKING INTO THE EYES of your children while they are starving, literally, to death.

Having not eaten for days, their stomach is hurting so badly that they are doubled over in pain. In a desperate attempt to curb their hunger pangs, you decide to take the last little bit of change that you have and go to the open door market, hoping to find something, anything, that can be purchased with this meager amount. The meat is fly-covered and stinking, yet, you must pass it by as you discover that all you can afford is mud cakes - small cakes made from yellow mud mixed with vegetable oil and salt.

Food prices are rising. **Haiti's poorest can't afford even a daily plate of rice.** Many are taking desperate measures to fill their bellies. The United Nations has reported that food prices are up as much as 40 percent.

Flooding and crop damage from the 2007 hurricane season has caused the United Nations to declare a state of emergency for Haiti.

Lifeline just sent more than 70,000 meals to Haiti to alleviate this dismal situation but this is just a drop in the bucket. We need your help to save lives.

Please help us buy food for these starving children.

Anything that you can do to help is greatly appreciated.

Thank you in advance for your help from the Lifeline Staff and the children of Haiti.

Prayer Requests

Please be in prayer for Brother Arnold Lemke. He has undergone surgery for a malignant cancer on one of his kidneys. The surgery was a success, but they had to remove one third of the kidney. The doctors seemed confident that all of the cancer in his kidney was taken out; however, they have also found that he has cancer in his Prostate and Bladder.

Pray especially for the people of Haiti as the price of food has risen considerably and the people in some areas are starving more now than ever. We need a moving of God's power in these people's lives.

The annual convention will be held in March so we ask that you **pray that God will send a great revival.** We would love to see souls saved!

Thank you so much for your faithful prayers. Without the prayers of the saints this ministry would never be able to accomplish all the wonderful things that are going on.

May God bless you!
